Reflection

In today's Gospel from Matthew, our Lord shares the Parable of the Sower who scatters seed on many different kinds of land. This is a wonderful analogy for the stewardship way of life, demonstrating the slow and steady, yet powerful effect this lifestyle will have on those who fully embrace it.

Stewardship

This is where the stewardship way of life comes in. When we give the best of our time, talent and treasure to serve God and others, we create lives filled with that rare "good soil" needed for the Kingdom of God to thrive.
