Reflection

As St. Paul tells us in the letter to the Romans, our second reading today, “Brothers and sisters: You are not in the flesh; on the contrary, you are in the spirit.” Because of the gifts of our Baptism and Confirmation, we have a “super power” right within us — the Holy Spirit — Who gives us every spiritual gift and all the strength we need to follow Christ. We must awaken to the power of the Holy Spirit in our lives, leaning into Him to increase virtue in us, especially this key virtue of humility. Paul reminds us that this is for our own good after all — “For if you live according to the flesh, you will die, but if by the Spirit you put to death the deeds of the body, you will live.”

Stewardship

What does it mean to be a “little one”? It means that we acknowledge we don't have it all figured out, but that we are very much in need of a savior. It means we recognize that all we are and all we have been given is a gift from God. It means we embrace the stewardship way of life.
